The mileage claims had the incorrect per mile rate. Roll call vote, Ayes: Stewart, Swinney and Johnson. Nays: None. Motion carried.

At 9:41 A.M. Roger Suhr read aloud a letter expressing appreciation to the Sheriff’s Department re: burglaries. Concern was also expressed with the salary structure of Elected Officials. He feels the Sheriff has the most responsible job in county government and his pay should reflect such. He went on to say very few counties across the State pay their elected officials the same. No one was present for public comment. Commissioner Swinney introduced Resolution No. 11-2011 pledging support/cooperation to the Economic Development Certified Community Program to include a copy of NNDC’s mission statement. Commissioner Stewart seconded the motion. Roll call vote, Ayes: Swinney, Johnson and Stewart. Nays: None. Motion carried. He also reported there is 5,000 yards of crushed rock available for projects. He has 5 part-time people working on hauling gravel and mowing. The Board recessed at 10:18 A.M. and reconvened to regular session at 10:28 A.M.

At 10:29 A.M. Joseph Applegarth read aloud a thesis statement entitled the Chadron Police Department will inevitably be replaced by the Dawes County Sheriff’s office, therefore, it is prudent for the Dawes County Commissioners to plan accordingly. By necessity police departments expire and are replaced by Sheriff Departments, thus making the office of Sheriff paramount during such exiguous times. Police Departments enforce policy. Policies are not law. The Chadron Police Department will dissolve in two years due to financial issues, therefore it is prudent the county prepare. State Troopers are henchmen for the State Government. The electoral office of Sheriff is noble as they are accountable to “We the People”, thus being the only form of law enforcement that truly exemplifies the American Constitution. In other business
the Board reviewed correspondences received from Bamford, Inc. re: five year inspection on the sprinkler system. Motion by Swinney, seconded by Stewart, approving the inspection by Bamford, Inc. with the understanding they in turn provide the Board with a report of their findings. Roll call vote, Ayes: Stewart, Swinney and Johnson. Nays: None. Motion carried. A motion was made by Commissioner Stewart, seconded by Swinney, approving the appointment of Colette Fernandez as public voting member and Connie Shell as alternate for the Western Nebraska Tourism Coalition. Roll call vote, Ayes: Swinney, Johnson and Stewart. Nays: None. Motion carried. A thank you was received and acknowledged by the Board from Vicki Lawton, CAPWN Youth Services. A letter was also received from the Nebraska Crime Commission informing the Board of a recent inspection conducted in the jail facility and found it to be in compliance. John Axtel joined the meeting in progress. Sheriff Karl Dailey joined the meeting in progress and approached the Board to address the Crawford Law Enforcement agreement. Motion by Swinney, seconded by Stewart, entering into an agreement for Law Enforcement services for the community of Crawford and directing the Chairman to sign. Discussion ensued. Commissioner Swinney indicated cooperation is key to the success of the agreement. Roll call vote, Ayes: Johnson, Stewart and Swinney. Nays: None. Motion carried. A copy of the agreement is available for public inspection at the County Clerk or Sheriff's office. The Sheriff explained the Civil Docket report which was approved by general consent of the Board along with District Court fees and a mileage report from the Sheriff's Department. Gary and Nancy Fisher joined the meeting in progress.

At 11:00 A.M. the Chairman declared the Public Hearing open re: 2011/2012 Dawes County budget. Gary Fisher asked what the levy will be and amount of increase in tax dollars. There being no more public input the Chairman declared the Public Hearing closed. Motion by Commissioner Swinney, seconded by Stewart, to increase the 2011/2012 restricted funds by one percent (1%). Roll call vote, Ayes: Stewart, Swinney and Johnson. Nays: None. Motion carried. Motion by Commissioner Stewart, seconded by Swinney, setting the Dawes County levy at .376193 for 2011/2012 from .356193 in 2010/2011. Roll call vote, Ayes: Swinney, Johnson and Stewart. Nays: None. Motion carried. Resolution No. 15-2011 was introduced by Commissioner Swinney, seconded by Stewart, adopting the 2011/2012 Dawes County budget. Roll call vote, Ayes: Johnson, Stewart and Swinney. Nays: None. Motion carried. Resolution No. 16-2011 was introduced by Commissioner Stewart, seconded by Swinney, directing the Dawes County Treasurer to transfer the following amounts from General Fund: $100,000.00 to Road Construction Fund; $35,000.00 to Reappraisal Fund and $3760.00 to Veteran's Aid Fund. The resolution further directs the Treasurer to transfer funds as warranted to the Roads Department not to exceed $1,198,980.00. Roll call vote, Ayes: Stewart, Swinney and Johnson. Nays: None. Motion carried.

At 11:16 A.M. Dave Sands, Nebraskaland Trust, met with the Board re: Nebraskaland Trusts. Also present was Becky Paulsen, Weed Superintendent, Zoning and Floodplain Manager. Wayne Fisher joined the meeting. Mr. Sands informed the Board that Nebraskaland Trust works with private landowners to preserve agriculture, historical value and natural resources. They also work closely with the NRCS. Gary and Nancy Fisher plan to place 546 acres of land into a conservation easement through the Nebraskaland Trust. Mr. Fisher indicated he and Nancy were able to participate in the process. They don’t want their land broke up into ranchettes. The land will still be used for agricultural purposes. It was learned that future development of the land will be limited to preserve the beauty of the land. The Zoning Board will review their conservation easement at their September 15, 2011 meeting with final approval by the Commissioners at their September 21, 2011 meeting. Wayne Fisher spoke briefly and indicated sometimes principal is more important than money in the long run. In other business Becky Paulsen presented a permit request by Melvin and Kitty Woodden to move a modular home onto their land. The Board reviewed the permit. Commissioner Stewart made a motion, seconded by Swinney, to approve the permit request and directing the Chairman to sign such. Roll call vote, Ayes; Swinney, Johnson and Stewart. Nays: None. Motion carried. Ms. Paulsen reported all roads with the exception of Breakneck and Braddock have been sprayed for weeds. Discussion ensued regarding the recent complaints surrounding the West Plains Grain loading facility located on Highway 20. Dust and bridge weight limits were discussed. Commissioner Swinney reported he and Larry Hankin looked at the bridge in question. The bridge itself is in decent condition, however; fixing the approach on the west end would assist in reducing the weight impact from trucks crossing over it. Re-decking the bridge and reducing the speed were also discussed. Commissioner Swinney volunteered to meet with a representative of West Plains Grain and neighbor in the area to seek a resolution to the problem. Larry Hankin, Highway Superintendent will accompany Commissioner Swinney.

There being no further business before the Dawes County Board of Commissioners the Chairman adjourned the meeting at 12:42 P.M. The next meeting will be September 21, 2011 beginning at 9:00 A.M.
in the Commissioners room at the Courthouse. A current agenda for the meeting is kept on file in the County Clerk’s office during normal business hours for inspection, but will close by 3:00 P.M. on Friday, September 16, 2011. The meetings of the Dawes County Commissioners are open to the public.

Disclaimer: A complete text of all Resolutions passed by the Board is available upon request in the County Clerk’s office during normal business hours.
