Stockade	King Canyon	Ferguson

Roads highlighted in yellow are projects scheduled for 2020.

Spot gravel will be hauled to various locations throughout Dawes County as needed.

Bridge and Culvert maintenance will continue as needed.

## 2019 Flood Damage

District# 1 completed all repairs.

District# 2 has one project remaining needing surface gravel.

District# 3 being hit the hardest will continue to make repairs from the storm events in Spring of 2019. The areas impacted most are along the White River between Crawford and Whitney.
